

## **The Marion Dutton Files**

These Marion Dutton Files consist of images and .PDF files that you can use with the “Paint Your Pet By Numbers” E-Book and Marion Dutton has kindly given permission for them to be used. They remain the copyright of Marion Dutton. You can duplicate them in any way you want but read the book to see what you cannot do. If you haven’t bought the “Paint Your Pet” package, then you can use these files. If you have bought the package, then you can use these to practice with before you move onto your own painting. Most of the colours described can be found in the 12 colour paint set. The 24 colour paint set will give you greater flexibility.

These files are for your own personal use.

Read the name of the files to tell you what they consist of.
